Other (Please Specify)	3	10.71
	28	100
Reponses		
<i>Climate change</i>		
<i>PBC is started to handle the issues on hazardous waste management.</i>		
<i>Through health aspects are also important, focus on hazardous waste management also to be continued</i>		
<i>Chair and co-chair should not be online, Senior faculty should be given chance</i>		
Q8	#	%
Do you have any additional feedback?		
yes	0	0.00
no	22	78.57
Other (Please Specify)	6	21.43
	28	100
Reponses		
<i>Great thanks to the organising team. Hope that the future meetings could see more participants in person</i>		
<i>I hope that I can join and attend the next conference of PBC. Excellent experience.</i>		
<i>Excellent meeting</i>		
<i>Great conference, I hope I have the opportunity to attend it in the future. Great job!</i>		
<i>Organizer assistance (Olivia and Lani) were amazingly helpful and attentive</i>		
<i>Regional and country level advocacy and policy discussions to support from PBC, Bangladesh can be a great strat and WaterAid can provide a good support, more alignment with WaterAid current focus on climate change and health. Even WaterAid can be interested to be a board member to move the advocacy forward. WaterAid is interest and see the promise, potential of PBC</i>
